SHREE SWAMINARAYAN

અસ્મદીયમ્

Dear Devotees,

Pious Chatur Maas has started. Many devotees would be performing special Niyam and observing one time fasting. Maharaj becomes very much happy all these devotees. Nistha-Shraddha-Upasana-Bhakti of a true devotee is always towards Swaminarayan Bhagwan as He is everything and only He is capable of granting happiness and unhappiness in the world.

Maharaj has given us 'Shiksha Patri' a Jadibutti of living a life. Now only 212 days are remaining of completion of 200 years of this 212-Shloka 'Shiksha Patri' and so we should await the Mahotsav while observing Niyam directed by Maharaj.

Maharaj has also said, "Every Year we celebrate Utsav on the pious day of Vrata wherein all Brahmchari, Sadhu, Satsangi devotees get together because even if a PaapiJeev gets reminded of such Utsav even at the last moment of his life, he invariably gets Akshardham of Bhagwan."

Yes, during Samaiya we have to render our devout services while performing Bhakti leaving the expectation of getting any respect. During Samaiya we have to put aside, greed, jealousy, anger etc. and we have to learn to respect of Bhakta of Bhagwan. It is essential to participate in Utsav cherishing our AkshandVrutti in Swaroop of Bhagwan.

With the blessings of H.H. Shri Acharya Maharaj, H.H. Shri Mota Maharaj and with the directions of H.H. Shri Lalji Maharaj, for 212 days i.e. till the day of Samaiya Utsav we have started offering meals to the needy and hungry people in hospital, railway station, bus station of Ahmedabad through the medium of Prasa and all devotees and saints rendering services in this pious work are worthy of all praise.

दृष्ट्वा शिवालयादीनि देवागाराणि वर्त्मनि ।
प्रणम्य तानि तददेवदर्शनं कार्यमादरात् ॥२३॥

Any temple such as Shivalaya which may come on the way, one should bow down and pay respect and should perform divine Darshan of the deity with utmost respect and humility. (23)

Commentary : This Shloka can be one of those Shlokas by which the importance of Shree Swaminarayan Sampradaya is well expressed. There have been other sects and Sampradayas wherein, it is being taught to neglect and not to pay respect and deities of other religions. Whereas in our Sampradaya Shreeji Maharaj has clearly stated that one should not neglect any deity under any circumstances and such deities should be duly respected. While going on the way if any temple of Shivji comes or temples of Bhagwan Ganesh or Suryanarayandev then one should bow down and perform Pranam with utmost respect and not only that one should also go inside the temple and should perform divine Darshan of the deities.

Generally, there have been sects and Sampradayas which have become popular in India which have been found teaching their disciples to despise other religions. Such a narrow-minded approach would not do. No deity can be neglected. Here Shreeji Maharaj imparts us broader education and

preaches us to give due respect to the deities like Shivji. It has been stated in VashisthaSmriti :

देवताप्रतिमां दृष्ट्वा यतिं दृष्ट्वा च योगिनम् ।

नमस्कारं न यः कुर्यात् प्रायश्चित्तीयते हि सः ॥

That means a person who does not perform Namaskar by seeing Devmurti, Yogi etc. he has to seek repentance. Today when a number of closed and narrow thinking are prevailing in abundance in the world and when there have been small sections being developed in the national and social life, such a generous preaching of Shree Hari is worthy to be given widespread publicity among all the people. Fanaticism, narrow and closed thinking of any sect and protest against any religion is not proper. At the same time it is necessary that we develop and inculcate a quality of respecting all religions. Here Shreeji Maharaj has given this great principle to us by following it we increase the pride of our Sampradaya and high principles of Sanatan Dharma are well protected.

FROM THE BLESSINGS OF H.H. SHRI ACHARYA MAHARAJ

- Compilation : Gordhanbhai V. Sitapara (Hirawadi, Bapunagar)

H.H. Shri Acharya Maharaj on the occasion of 10th Varshik Patotsav of Parsipenny temple (I.S.S.O.), 24/05/2025
: It is a matter of pleasure to see all of them. We have been brought up with all of you right from our childhood.

Thakorbbhai! All of us used to come to you. Prahladbhai used to tear down Sofa. Pankaj was moving around wearing a short. Now he is the President. All of you devotees. We

feel the sense of belongingness and do not feel alienated. This happens naturally but for that much work is required to be done. Especially all these temples and all these public places. We have stayed with all of you and your children so naturally and so love and affection comes out of heart automatically. Description in words appears insufficient, rather poor but all this happens with the blessings of Bhagwan.

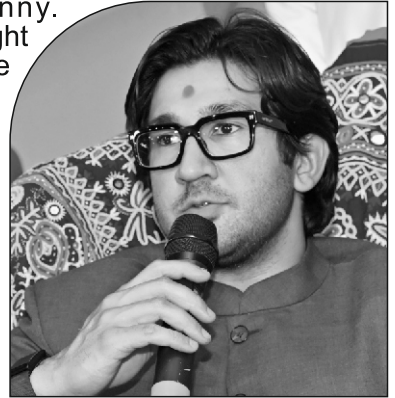

I liked a board of this temple very much. Ram Swami! Abhishek Swami brought a photo to me wherein it was written, "Don't advice the administration, if not what it does." All these are interesting. I have closed Instagram. But it appears, it has to be started for this. It takes great courage to say this and even the administrator is also courageous to display it.

Ram Swami told that Abhishek Swami has been taking care all things here for the last eight years. I told that in Parsipenny all are stalwarts. Here one can stay with

greater than the courage of 56 inch chest, as it is popularly being said. If such an advice is being given to the administrators then what would be left out in telling to Swami. When Swami met in Cherry Hill then it was told to take care of something

in Parsipenny.

Swami thought for a while and then took well care. All praise to the saints. All these saints are very enthusiastic and hard-working. Here one feels

boredom here in this country because all is not to be praised here. All of you know it very well. So in fact the saints who have been rendering services here deserve all praise. People have to be taken care of. You can imagine the situation. It was a time when the guests were to come from Indiana then they were being told to take week-end flight. One can be received well at the airport only during the week-end. During the week-days, only address is given and it is advised to hire Uber or any cab service. So it is not easy to take care of the whole Sampradaya Samaj here or the whole temple. This is not a small thing. Saints and the organizers deserve all praise. All praise to the person writing this display board. Prahladbhai might have written this because since Weehawken I know his expertise in hand-written copy.

It is a matter of pleasure. There is happiness of life. We have received Bhagwan. I always say that enjoy while remaining under your limits. Laugh, speak out and enjoy. Nobody gets such Bhagwan

SHREE SWAMINARAYAN

anywhere in this world. So there is divine pleasure here.

H.H. Shri Mota Maharaj established I.S.S.O. in the year 1978. It would complete 50 years in the year 2028. During these 50 years Niyam has been preserved that, money is not to be taken except services being rendered during big Samaiya. This Niyam has been given by H.H. Shri Mota Maharaj 47 years ago. This is a great thing. He has got a great vision. If there is anything of Dev, one should render services. If you are residing in Parsipenny then render your services in Parsipenny and if you are residing in Colonia then render services in Colonia. If you are more enthusiastic then you may render your devout services to Shree Narnarayandev. But render such services and ensure to get its authentic receipt from our temple. This is Siddhant. We have got Shree Narnarayandev in our life and so we should be proud of it.

H.H. Shri Lalji Maharaj talked about Samaiya. Once upon a time I had also cherished an idea but preservation and future of this climate everything is his concept and all of you have rendered your services in it. This is for Dev and we have to render services for Dev as per our wish and desire. There is Shiksha Patri. Just think for a while. Due to whom we are happy.

ये पालयन्ति मनुजाः सच्छस्त्रप्रतिपादितान् ।

सदाचारान् सदा तेऽपि परत्र च महासुखाः ॥

These are Vachan of Maharaj. Maharaj has stated that My words are My Swaroop. Just as there is Murti of Bhagwan. This is not Murti... Bhagwan Himself is there. Maharaj has stated that My words are My Swaroop. So it would not be proper if we believe in Bhagwan and do not believe in words of Bhagwan. This has been clearly stated in Shiksha Patri.

Today all of us are happy and this is a fact. Just now Swami told us. What we were and what we are. All of you come driving about 40 mercedez cars. Maharaj has told us to follow His directions. After studying the scriptures we have received all this. Directions are to be followed and those who

follow the directions scrupulously become happy in life. All their wishes will be fulfilled. These are the words written by Maharaj. This is a very interesting thing. Everything is good so far as it is within the limits. There is a shadow of unhappiness behind the happiness of the world. Relations, worldly transactions everything run smoothly after due and timely maintenance. This house is to be got repaired. Everything requires and demands maintenance. But there is Bhagwan. There are Vachan of Bhagwan. There are Charan of Bhagwan where there is no maintenance. We are not required to do any type of maintenance. We have to simply cling to Charan of Bhagwan. There is divine happiness in lotus-like feet of Bhagwan. And as there is divine happiness there is no any shadow of unhappiness behind it. All of us have remained at lotus-like feet of Bhagwan and therefore we all are happy. Today we can sit together and we can laugh together and reason for this is that we have sought for the shelter of Bhagwan. This is nothing else but the blessings of Bhagwan upon all of us.

H.H. Shri Lalji Maharaj and the saints talked about Shiksha Patri. It is a matter to take pride in. this Utsav will be celebrated in Bhuj. Rangotsav will be celebrated in Muli on the pious day of Vasant Panchami and there would be arrangement of Utsav for five days in Ahmedabad. And in this way there is planning for the whole Ahmedabad Desh. Utsav will be celebrated very beautifully. There is nothing else in Utsav. Whatever is our desire and wish is to be done. Everything is done with the wish and desire of Bhagwan. Everything is done as per His wish. So nothing would remain incomplete or pending.

Pramodbhai! Initially when we came here and looked at the land then I had told to keep the land for us. If there would not be temple then the land would be disposed off and temple would be developed somewhere else. Such can also be the planning. Then all decided to develop the temple and today devotees are getting divine happiness through the temple.

SHREE SWAMINARAYAN

The biggest thing is that we have got such a beautiful temple. We have got such a beautiful Bhagwan and such a beautiful Satsang is received. We have to cultivate that mindframe, so we can enjoy Satsang. We have to enjoy Satsang. This is not an enforced Satsang. Satsang should be such that one can enjoy with a relax. For that we have to perform Bhajan and Bhakti of Bhagwan with ardent love and affection. We have seen people threatening and frightening innocent people. But in our Narnarayandev Desh it would never come. Here we all will perform Bhajan and Bhakti with utmost love and affection.

H.H. Shri Lalji Maharaj : For about 10-10 years Haribhaktas, elder ones are sitting in the front. On the backside are sitting the young devotees. All of them have got together and have worked hard day and night and this temple has been developed and this Satsang has been nourished and developed. Recently when Pratistha ritual was performed in Nashville temple, Presidents and Haribhaktas from different chapters had come. At that time it was discussed that during the last 40 years only in America about 25 temples have been developed. Among them last 15 to 2 temples have been developed during the last 10 to 15 years only. From this we come to know that due to unity and united hard work of our devotees and due to their ardent faith and devotion all this has been achieved and this is due to all these devotees only. The reason for developing the temples is to preserve Satsang of Haribhaktas and simultaneously there is progress and development of the temples by which new people are joined and new devotees work with us.

Last year I had come and this year also occasion has arisen to meet. All devotees of Parsipenny get together and perform Satsang with mutual unity and love and affection. This should increase day by day because 10 years is a milestone. In our area, Satsang is going to be increased like anything. We all have to get together and we have to work hard. Now we have to double

our hard work of the last 10 years. It is not for merely increasing a number. People should come closer to Bhagwan. People get associated with us through the principles of Swaminarayan Sampradaya given to us by Swaminarayan Bhagwan. We have to do hard work.

Just now Swami made announcement of Samaiya of Shiksha Patri. Here I want to add only this much that Shiksha Patri is our real identity. For the people of the world, if we want to introduce us or our Sampradaya or our tradition and our principles then it can be given through Shiksha Patri only. We are very lucky that we get such an opportunity in our life time that there would be completion of 200 years of completion of writing of Shiksha Patri by Bhagwan and we would be celebrating its Samaiyo. All of you know that dates of Samaiyo are from 23rd to 27th January 2026. When we are going to enjoy it. I invite everyone to be a participant from all the elders to youngster people because it is our heritage and foundation of our Sampradaya. If we forget this, we would forget everything. Importance of Shiksha Patri cannot be explained in any words.

As per the tradition of our Ahmedabad Desh, Samaiyo of 200 years of Shiksha Patri is to be celebrated in a greater and more grand way than Parv Utsav of 200 years of Shree Narnarayandev. At that time due to travel restrictions imposed during Corona Pandemic many devotees could not come from various foreign countries. This time the date of Samaiyo has been declared much earlier and so we expect that more and more number of devotees from foreign countries come and participate in Samaiyo Utsav. This year we have commenced a number of initiatives.

All of you know that in the year 2011 when Swaminarayan Museum was inaugurated then H.H. Shri Acharya Maharaj had started a Project namely Preservation Plus under which we started and undertook various activities for the preservation of environment and its protection. Wind mills were installed so that the whole Museum

SHREE SWAMINARAYAN

can run by Solar Panels and many projects were undertaken under it in foreign countries. The whole Museum is being run with Zero Carbon Emission. To revise this Preservation Plus Project we started a number of initiatives and considering this the whole five day Samaiyo will be organized in an eco-friendly manner without any carbon foot-print, without any gas. Lacs of devotees would get together during Samaiyo and all the waste would be recycled. There would not be any single-use plastic and all the electricity which is going to be used will be generated by solar energy. All such activities are going to be done during this Samaiya whose note may kindly be taken by each and every devotee. I do not believe that such a project may have been done by any religious organization so far.

It is our responsibility to take forward all such activities which have been started by Maharaj. In order to advance Preservation Plus Project we encourage all

of you and encourage all such activities which take further and forward this Project. Simultaneously there would be innumerable religious as well as social activities. Water should reach to our small villages, electricity should reach to all these villages and for that purpose activities have been started by Kalupur temple.

We have given just a overview of Samaiyo Utsav. Because all of you have rendered your beautiful services and you are going to render such services. Therefore each and every devotee is requested that they may render their devout services as per their wish and desire and as per their capacity. Because one would not get any such chance again. Maharaj has given us Shiksha Patri containing self-written 212 Shlokas and 200 years are being completed. So let us associate ourselves in this pious task. At last all the devotees were blessed.

Suggestion to all Saints Haribhaktas

(1) There is a very important and necessary suggestion to all saints and haribhaktas of Shree NarnarayandevDesh that some unknown persons are found to have been committing theft by hooks or crooks in our temples with dome and in Harimandirs as reported by the management persons of our temples. Therefore it is a special suggestion of our H.H. Shri Acharya Maharaj that such unknown persons may not be trusted. So all the devotees may be very much alert and when there is nobody in the temple, it may be closed and locked. Unknown persons may not be allowed to be entered in the temple or it may be intimated to Kalupur temple and introduction and details of such persons may be obtained.

Secondly while observing Mayada of deity, Haribhaktas should not talk worldly matters or indulge in gossiping except Dev Darshan, Bhajan and Bhakti and they should also not create any type of disturbance to anybody. If possible CCTV camera can also be installed in the temple premises.

(2) In each and every temple with dome or Harimandir of our Sampradaya if any person or organization is found to be indulging or undertaking any activity in public or secretly for their selfish interest without obtaining approval or directions of H.H. Shri Acharya Maharaj then Mahant, Kothari or management person of that temple should not allow such activities to be undertaken or done as it is the duty of all of us.

OUR HARI MANDIRS AND PLACES OF PRASADIUARSAD (POR VAVOLDESH)

- Bipin M. Patel (Kaligam)

“વામે યસ્ય સ્થિતા રાધા શ્રીશ્ચ યસ્યાસ્તિ વક્ષસિ,
પૃન્દાવનપિહારં તં શ્રી કૃષ્ણં હૃદિ ચિન્તયે”

Shiksha Patri is the guide to our religious and righteous life. Let us embrace and imbibe the very first Shloka of Shiksha Patri offered to us by Bhagwan Shree Swaminarayan in the form of Mangalacharan.

(1) **Uvarsad** : Village Uvarsad of Prasadi is situated at a distance of just 7-8 km from Gandhinagar and at a distance of 22-24 km from Ahmedabad via Adalaj. Shree Swaminarayan temple of village Uvarsad is about 126 years old. AksharNivasi Sadguru Shastri Swami Shree Harinarayandasji Guru AksharNivasi Sadguru Swami Gopivallabhdasji (MallaSwami) of village Uvarsad had nourished Satsang and developed it in the village.

A beautiful marble-stone engrave has been placed in the temple. According to the writing inscribed upon the marble-stone Ba Kunvarba resident of Mohanpur, Mahikanta and daughter of Vaghela Shri MulubhaiBapubha of village Koth had got it done on the pious day of Shravan Sud-15 Samvat 1957. Murti PranPratistha of the temple has been performed in Vedic tradition by H.H. Shri Acharya Shri Purushottamprasadji Maharaj in the year Samvat 1955.

In this village Shreeji Maharaj graced as per the details described by Nishkulanand Swami in the scripture:

“અડાલજ મે આયે અલબેલો રહે, રાત ત્યાં છેલ
છબીલો, ઉવારસદ ગામને ઓળા ગામે, ગયે હરિ રથે,
રજની એ ગામે, છાબી ભક્ત જેરામને લાલ, જહો
અવિચળ પુર જવાલ, કણબી ખજી પૂજો ભાર, રહે
ઉવારસદ તજી ઉચાટ.”

Besides Vicharan of Shreeji Maharaj, Sadguru Nishkulanand Swami has made noting of the names of the devotees of the village. Upon entering the temple premises,

in the centre upon the beautifully carved throne is Shree Swaminarayan Bhagwan, Shree Radhakrishnadev, Shree Narnarayandev etc. deities, there are also Murti of Leela Charitra of Maharaj such as Vanvicharan, Hari swinging in Hindola, Charnarvind of Maharaj etc.

According to the talks of Sadguru Bhumanand Swami in Samvat 1862 Maharaj had graced village Uvarsad via Mansa after performing Samaiyo of Mahashivratri.

This pious place of Prasadi of Uvarsad has been graced and sanctified by Shree Hari a number of times. Devotees Shri Jeram Patel, Jetha Patel, Purajmal Patel, Punja Patel, Lalji Patel, Avichal Patel and Harakhji Patel and such so many devotees have been during the time of Shree Hari and therefore this village is very lucky and like a great place of pilgrimage.

13 years ago our Future Acharya H.H. Shri 108 Shri Vrajendraprasadji Maharaj had performed PranPratistha of deities in Shree Swaminarayan temple of ladies devotees. Moreover, our H.H. Shri Mota Maharaj has stayed in this village and has also studied in the school of the village and therefore this school is also like a Tirth.

Upon completion of 25 years of inner temple, Rajat Jayanti Mahotsav was celebrated with the directions of H.H. Shri Acharya Maharaj and with the guidance of Sadguru Shastri Swami Purushottamprakashdasji (Jetalpurdham) with great fervour and enthusiasm.

Shree NarnarayandevYuvak Mandal is very much active in the village Uvarsa and all Utsavs during the year are being celebrated with great fervour and enthusiasm. Maruti Yagna of Shree Hanumanji Maharaj is also being celebrated every year. This, this place of Prasadi – village Uvarsad is worthy to be visited and to avail the benefit of divine Darshan.

We all have got together here because we all cherish ardent Nistha towards Bhagwan. One should have Nistha towards one's Ishtadev. No work can be successfully done without ardent faith and Nistha towards Ishtadev. Bhagwan is Adhipati of Golok, Vaikunth, Shwetdwip, Brahm-mahol. He is Adhipati of AnantkotiBrahmand. When such Adhipati comes upon this earth then what is the purpose? Bhagwan comes to fulfill the desires of His devotees. And if we forget our path then He shows us our right path. Don't we feel concerned and worried about our children if they do not return home in time? How lucky would have been those devotees who had got an opportunity of rendering service to Bhagwan! If we think then AnantkotiMuktas, Asta-Siddhi Nav-Nidhi are in Akhand Service to Adhipati of this Brahmand. This omnipotent Bhagwan becomes like a human being encompassing all the divine powers so that the devotees can perform divine Darshan and can perform Sewa-Archana. How lucky would have been those devotees who may have performed aarti of Bhagwan and render their devout services! Bhagwan has hidden His Aishwarya and has accepted all such services. In his

Archaswaroop there is Bhagwan. If we would cherish ardent faith and love and affection towards Him then there would be AkhandChintavan. In fourth Vachanamrit of Gadhdha Middle Chapter Bhagwan has stated, “One should cherish ardent faith so that there is AkhandChintavan. If there would be decrease in faith, there would be proportionate decrease in knowing the importance of Bhagwan.” So it is through Shraddha only that Swaroop of Bhagwan is confirmed and re-affirmed in our heart. So we have to make efforts to become Ekantik Bhakta. Ekantik Bhakta cherishes ardent faith towards his own Varnasharam Dharma and he does not cherish anything except Bhakti of Bhagwan and performs Nishkam Bhakti. One has to be come such an EkantikBhaka and should cherish Murti of Bhagwan in one's mind and heart. This is more difficult but one should make constant efforts with utmost faith and affection. One should constantly try to remind one self He is Atma and not body. All these happiness and sorrows are happening to the body and not to Atma. If such a knowledge is cherished even for a moment, it has got its most positive effect upon the mind and heart and one gets Punya as well. By performing pure Dhyanhumility increases. Seeking shelter of Bhagwan is the great thing in itself, as has been narrated in 33rd Vachanamrit of Gadhdha First Chapter. When one seeks shelter of Bhagwan, he wins the pleasure of Bhagwan. And this shelter should be very strong. There should not be any other dependance except Bhagwan. There are mainly three differentiation. In one type a person seeks shelter of Bhagwan becoming very rigid. He remains unmovable and unshakable in any circumstance and situation. The second type is one seeks shelter of Bhagwan

SHREE SWAMINARAYAN

through ardent love and affection. Such a devotee does not cherish affection towards any worldly thing except Bhagwan. And the third type is one seeks shelter of Bhagwan through logic and intellect and intelligence. Such a person is very sharp in intelligence and highly intellectual. He knows the difference between 'Sagun-Nirgun', 'Anvay-Vyatirek'. There is Aksharatit Swaroop of Bhagwan and there is Vyatireak Swaroop of Bhagwan. Bhagwan is present as Prakriti-Purush and Virat Purush and BrahmadiK Prajapati and Narad-Sanakadik. Such a person knows Bhagwan through his intellect and then He seeks shelter of Bhagwan and then he remains firm in his decision. Shraddha, Nistha, Ekantik Bhakta, Akhand Chintavan, strong shelter all this is possible through strong mind. For that our mind has to be cultivated and it is a daily thing. It is to be done everyday. The mind and Maya does not like if Jeev goes towards Ishwar and so they try their best to create all types of distractions and obstacles. Kaliyuga is going on. There is definitely an impact of Yug upon the mind and mind and body. The most affected is the mind and intelligence. So one has to make so many efforts and has to become very harsh and strong with one's own self. By cherishing ardent faith and affection towards Bhagwan, one has to keep on making efforts. Let's pray at lotus-like feet of Bhagwan that He may grant us such strength and our mind progresses in the right direction.

• SWABHAV

- Sankhya Yogi Kokilaba
(Surendranagar)

Human being is a social animal. He is also Swabhav-Yukta animal. Swabhav which is associated with Atma is the cause of birth and death. If there is Sankalp of Vishay then it is known as Vasana. But when

Sankalp is performed while cherishing Smruti of Bhagwan it is known as Swabhav. We know this Prakriti with different names such as Swabhav, Vasana, habit etc. all other courses of this world are easy but to undertake and complete the course of changing one's own Swabhav is the most difficult one.

One cannot put aside one's own Swabhav. It is very strong in its roots. Just like a dog never abandons chewing anything made of leather. Until there is this Swabhav one cannot enjoy divine happiness. This Swabhav does not allow the sheer joy of Bhajan to be enjoyed.

One should live as per one's own capacity otherwise it brings misery only. It has been stated in Vachanmrit 68 of Gadhdha Middle Chapter that Kaam, Krodh, Lobh, Ahamkar, Maan, Irshya are purposes of becoming an atheist because such a person cannot be persuaded by anyone.

Faiba of Machhiyav was very adamant by her nature. Due to her Swabhav she spoilt her life. This Swabhav bleeds himself only. Gyan and Bhakti would not suit until this Swabhav is changed. Such Swabhav causes damage to Satsang also. The neem-leaf does not abandon its bitterness. By copying a swan, the crow does not inculcate the qualities of a swan. The cunning people do not abandon their temperament of harassing good people.

In Vadtal one Parshad had bitten one bullock very much. And so this bullock would run after this Parshad. After some time this Parshad passed away. After the funeral rituals were over the bullock happened to go there and there the bullock started digging and spreading the ash with the horns. Such a strange is the nature of an adamant person.

GANGAJI

- Labhuben Manubhai Patel (Kundal)

Now Varniraj is very much happy. Time has come to fulfill the desire and so there is tremendous joy. All the leaves and trees and birds and animals are performing divine Darshan of PragatPurushottam and are bowing down at lotus-like feet and are joyous. The birds are chirping and singing and are singing the importance of Shree Hari in their symbolic language. Shree Ghanshyam has reached to Haridwar where the pious Ganga river is flowing incessantly since time immemorial. On its bank there is a temple of Kailashpati and there Lord Shiva is sitting in Dhyani. In Dhyani Shivji saw Murti of Shree Hari and stood up to welcome Varniraj.

The place where Har and Hari met is known as Harkipaudi. There is a beautiful temple of Ganga Mata wherein there is beautiful Swaroop of Gangamata which has come down from the heaven following the

great Tapasvi Bhagirath Raja. There is also a Murti of Bhagirath Raja in the temple and here aarti of Ganga Mata is being performed both the times in the morning and in the evening. Thousands of devotees come here to perform divine Darshan.

By performing Snan in pious Ganga, sins of so many lives are burnt. There is divine pleasure of arrival of Varniraj and there is greater joy as Shree Hari has accepted the meals as well.

“ધીરે ચલો મોરી માં, ગંગામૈયા ધીરે ચલો, ગંગામૈયા ધીરે ચલો. મેરે કાંઠે પર શ્રી વર્ણીરાજ, ગંગા મૈયા ધીરે ચલો....”
